Second Bulletin

The International Workshop on Next Generation Nucleon Decay and Neutrino Detectors (NNN16) will be held at **Institute of High Energy Physics (IHEP)**, Chinese Academy of Sciences in **Beijing** during **November 3-5, 2016**.

1, Scientific Program

The workshop scientific program has been nearly finalized and the details of the program can be viewed from the workshop INDICO page. All oral talks will be invited.

Thursday, November 3, 2016
08:30 - 09:00 Registration
09:00 - 09:20 Welcoming remarks
09:20 - 12:30 Proton decay and neutrino theory
14:00 - 18:00 Parallel 1: detector and calibration
14:00 - 18:00 Paralle1 2: sensors/electronics/DAQ
18:00 - 20:00 Poster and reception
Friday, November 4, 2016
08:30 - 10:35 Neutrino oscillation progress
11:00 - 12:40 Neutrino and nucleon property
14:00 - 17:30 Future large neutrino projects
18:00 - 21:00 Banquet
Saturday, November 5, 2016
08:30 - 12:30 Future neutrino facility and detector R&D
14:00 - 16:00 Summary and closing

2, Poster Presentations
Abstracts for posters should be submitted online by August 31, 2016:
http://indico.ihep.ac.cn/event/6156/call-for-abstracts/submit

We will vote best posters and invite two poster winners to give a 5 minutes oral talk for each at the plenary session on Nov. 5. Limited amount of funds are available from the workshop sponsors to provide partial support to participants, and priority will be given to the students who will make poster presentations.

3, Registration

To register please use online registration system on the workshop web site. The registration fee for the workshop is 1000RMB for seniors and 600RMB for students. The fees will cover the costs of coffee breaks, lunches, the reception, the banquet and the conference rooms. Additional tickets for the banquet are available (150RMB/person) if you wish to bring guests. Payment of registration fees must be made by cash at the registration desk. The registration deadline is September 30, 2016.

Address: 66 Yongding Road, Haidian District, Beijing 100049

Tele: +86-10-68132299 Fax: +86-10-8821 3327

Details of the workshop program, registration, accommodations, financial support, etc. will be provided in the 2nd Bulletin.

6, Transportation from Beijing Capital Airport to IHEP
Please refer to http://nnn16.ihep.ac.cn/trans.html

a) By taxi: You can get a taxi right outside the arrival terminals. It is about 40 km from the airport to the Chang-Feng Holiday Inn or the IHEP Guest House. The fare is about 22USD. If you take a taxi, please show tag (1) or (2) (below) to the taxi driver.

b) By subway: You can take Beijing Subway Airport Express from Airport Terminals 2 and 3 to Dongzhimen Station, from which you should transfer to Line 2. Change from Line 2 to Line 1 at Jianguomen Station, taking the train in the Pingguoyuan direction, and get off at Yuquanlu Station, exiting by the north-west exit (A). The IHEP campus is just at the north-west corner of the crossroads; you can enter by the south gate (300m west of Subway exit A). Note that the subway may be extremely crowded at peak times and that you will have to negotiate long flights of stairs, so it is unsuitable if you have heavy baggage or mobility problems.

c) Airport shuttle bus: You can take an airport shuttle bus from the airport to Gong Zhu Fen bus stop. The fare is 24 RMB (4 USD). From there you can take a taxi to IHEP for about 25RMB (3.5 USD). If you take the airport shuttle bus to Gong Zhu Fen, please show the tag (3) (below) to the airport staff. When you arrive at Gong Zhu Fen, you need to take a taxi to IHEP, please show tag (1) or (2) to the taxi driver.
